Thank you for your interest in Nivraj Software solutions Pvt. Ltd . The information contained in this packet provides you with a brief introduction to who we are, what we do, and how Nivraj Software solutions Pvt. Ltd . can be of value to your business. To accomplish this, we present an overview of our services, highlight our capabilities, and offer some brief examples of our experience.

Because every client's project poses its own set of unique challenges, it is impossible to compose one document that completely addresses everyone's specific needs. What we have attempted to do in the following pages is simply provide a glimpse into some of our capabilities. Nivraj Software solutions Pvt. Ltd. is a full custom services firm. As such, it's our business to quickly adapt to meet our clients' diverse needs... and we have a proven track record of doing just that. We are always interested in exploring new projects, so if you're interested in discussing your particular development challenges with us

A BRIEF STORY ABOUT THE COMPANY

About Us

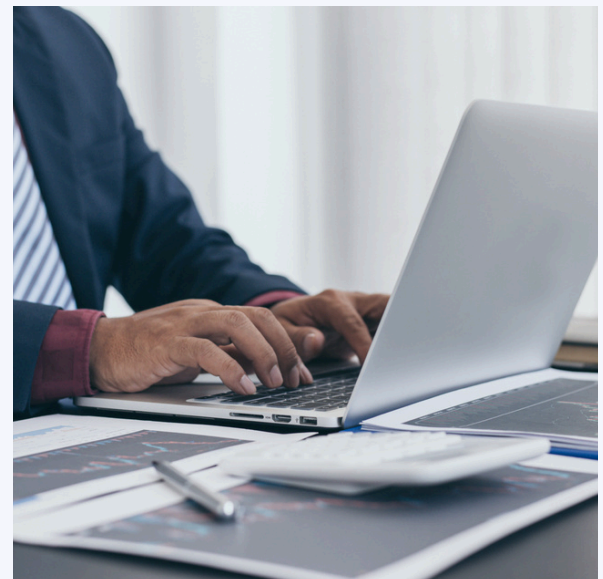

Nivraj Software Solutions Pvt. Ltd. is a custom software services firm based in Lucknow, UP, India. We have extensive experience in many diverse areas of both Website Design and Development, software development, and digital marketing.

Our experienced staff of professionals has worked with a wide array of platforms, languages, and tools in the course of our various projects.

WHAT WE DO

Quite simply: we write code. However, unlike most software companies, we realize that's only part of the job. We don't just write code... We develop professional software and promote your business digitally. This is why our clients choose Nivraj Software Solutions Pvt. Ltd. Many companies can find programmers to generate code.

However, few have the experience to produce professional-quality software. Our ability to develop code is only the beginning of our capabilities. Being a "custom" firm, Nivraj Software Solutions Pvt. Ltd can provide our clients with a variety of services.

A few of the services available from Nivraj Software Solutions Pvt. Ltd include:

- System Architecture and Design Development
- Project Management
- IT Support and Network Administration
- Complete Turnkey Systems
- Testing and Quality Assurance
- Feasibility Studies
- Technical Documentation and Training Services
- Placement and Recruiting Services

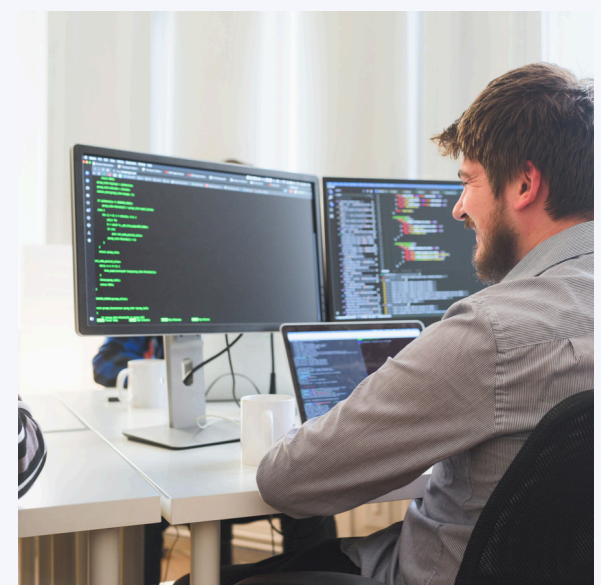

EXPERIENCE

Nivraj Software Solutions Pvt. Ltd has amassed an impressive resume of projects. It's the custom nature of our development projects that has enabled Nivraj Software Solutions Pvt. Ltd to acquire vast experience in many diverse areas of software development and digital marketing. Our experience, in conjunction with our quality personnel, enables Nivraj Software Solutions Pvt. Ltd to be dynamic enough to tackle almost any software development project. Nivraj Software Solutions Pvt. Ltd has a proud history of utilizing experience to provide our clients with the best services possible. This difficult task is accomplished by applying experienced personnel to every project. Nivraj Software Solutions Pvt. Ltd was founded on the principle of gathering an elite group of software engineers and professionals, and leveraging their collective abilities. Naturally, each of these "producers" brings their own particular specialization and experience to the table. Once they join the Nivraj Software solutions Pvt. Ltd . team, we cross-train our consultants to diversify and increase their overall skills. The result for our clients is a group of individuals who can genuinely contribute and have a positive impact on development projects.
